Dear Customer:

This is a notice of change to a product data sheet for a device that is currently offered by Texas Instruments. The details of this change are on the following pages.

This notice does not apply to product on end-of-life status. Should product affected be on a previously issued product withdrawal/discontinuance notice, this notification does not extend the life of that product or change the life time buy offering/discontinuance plan.

We request you acknowledge receipt of this notification within **30** days of the date of this notice.

The changes discussed within this PCN will not take affect any earlier than **90** days from the date of this notification. This notification period is per TI's standard process. Any negotiated alternative change requirements will be provided via the customer's defined process. Customers with previously negotiated, special requirements will be handled separately. Any inquiries should be directed to your local Field Sales Representative.

For questions regarding this notice, contact your local Field Sales Representative or the PCN Manager (PCN_admin_team@list.ti.com).

Sincerely,

PCN Team

PCN Details				
Description of Change:				
Texas Instruments Incorporated (TI), Semiconductor Group, continually monitors sales and billings activities on all products. Given the current volume levels of the device listed in the notification, it warrants the discontinuance of these products. In addition, these components are part of an overall hardware and software solution that has been replaced by a more cost effective, feature rich and higher performance offering. Because you have purchased one or more of the products listed during the past twenty-four (24) months, we would like to know if you have any continuing requirements for them in the future.				
Reason for Change:				
The current levels of these devices warrant discontinuance.
