

APPLIANCE INLET

DAC-29/30

Features

- Soldering lug, faston tab #187 and #250 (Only DAC-29) are available for DAC-29, 30 models
- DAC-29 : Dual Fuse Type, DAC-30 : Switch Type
- cULus, KC, CCC approved

Applications

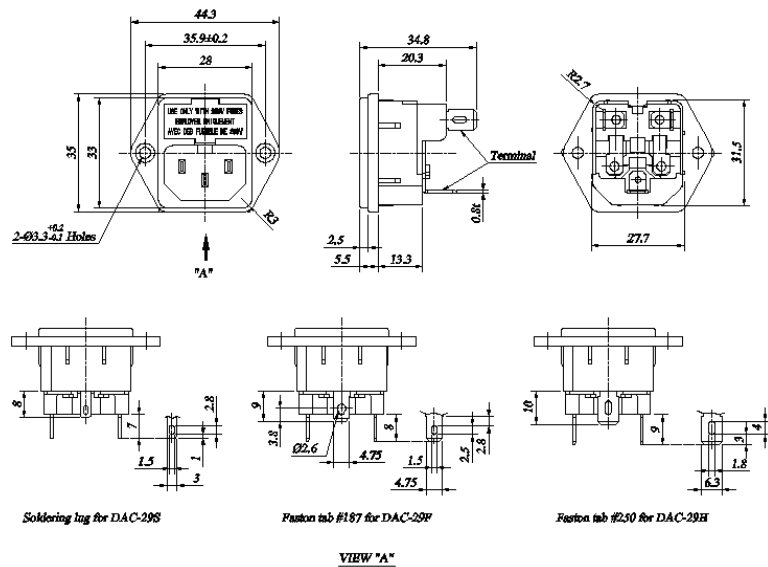

- Personal computers and peripherals
- Medical equipment
- Various types of electronic equipment

Specifications

- Insulation Resistance : 100MΩ min. at 500V
- Test Voltage : 2000V AC one minute
- Material flammability classified : UL94V-0
- Weight
 - DAC-29 : 20g
 - DAC-30 : 18g
- Standard ratings
 - DAC-29 : 250V AC Appliance Inlet(10A), Fuse Holder(6.3A)
 - DAC-30 : 250V AC, 10A
