**REACH ANNEX XIV substances** 

| Identification                            |                                 |
|---|---------------------------------|
| Category                                  | Modules                         |
| Series                                    | Han-Modular <sup>®</sup>        |
| Type of module                            | Han-Quintax <sup>®</sup> module |
| Size of the module                        | Double module                   |
| Version                                   |                                 |
| Termination method                        | Crimp termination               |
| Gender                                    | Female                          |
| Technical characteristics                 |                                 |
| Insulation resistance                     | >10 <sup>10</sup> Ω             |
| Limiting temperature                      | -40 +85 °C                      |
| Mating cycles                             | ≥500                            |
| Material properties                       |                                 |
| Material (insert)                         | Polycarbonate (PC)              |
| Colour (insert)                           | RAL 7032 (pebble grey)          |
| Material flammability class acc. to UL 94 | V-0                             |
| RoHS                                      | compliant                       |
| ELV status                                | compliant                       |
| China RoHS                                | e                               |
| REACH Annex XVII substances               | Not contained                   |
