### Identification

| Category                     | Accessories                  |
|------------------------------|------------------------------|
| Series                       | Han-Modular <sup>®</sup>     |
| Type of accessory            | Docking frame                |
| Description of the accessory | Float mount<br>for 4 modules |
|                              | A D                          |

## **Technical characteristics**

| Limiting temperature                   | -40 +125 °C                             |
|--|---|
| Mating cycles                          | ≥10,000                                 |
| Note on the mating cycles              | Mating cycles with other HMC components |
| Degree of protection acc. to IEC 60529 | IP20                                    |
| Floating tolerance                     | ±2 mm                                   |
| Lock-in range                          | ±4 mm                                   |

## Material properties

| Material                                  | Polycarbonate (PC) |
|---|--------------------|
| Material flammability class acc. to UL 94 | V-0                |
| RoHS                                      | compliant          |
| ELV status                                | compliant          |
| China RoHS                                | e                  |
| REACH Annex XVII substances               | Not contained      |
| REACH ANNEX XIV substances                | Not contained      |
| REACH SVHC substances                     | Not contained      |
