| Electrical data                            |                               |
|--|-------------------------------|
| Short-circuit current rating <sup>1)</sup> | 100 kA                        |
| Ambient conditions                         |                               |
| Ambient temperature                        |                               |
| During operation                           | -20 ... 40 °C (-4 ... 104 °F) |
| Mechanical data                            |                               |
| Degree of protection                       | Type 1/UL Type 1              |
| Net weight                                 | 27.6 kg (60.8 lb)             |
| Dimensions                                 |                               |
| Width                                      | 318 mm (12.50 in)             |
| Height                                     | 1,105 mm (43.50 in)           |
| Depth                                      | 390 mm (15.40 in)             |
| Standards                                  |                               |
| Certificate of suitability                 | UL / cUL                      |

<sup>1)</sup> 100 kA rms symmetrical; 690 Vac maximum (For 600V Class)  
100 kA rms symmetrical; 480 Vac maximum (For 400V Class)  
100 kA rms symmetrical; 240 Vac maximum (For 200V Class)
