SIEMENS

Data sheet

Selector switch, illuminable, 22 mm, round, plastic, red, selector switch, long, 2 switch positions O-I, latching, actuating angle 90° , 10:30h/13:30h, with laser labeling, lower case

product designation design of the product product type designation 3SU1 product line Plastic, black, 22 mm Enclosure number of command points 1 Actuator design of the actuating element principle of operation of the actuating element product extension optional light source color of the actuating element material of the actuating element material of the actuating element plastic shape of the actuating element plastic shape of the actuating element material of the actuating element product extension optional Color of the actuating element material of the actuating element material of the actuating element plastic shape of the actuating element couter diameter of the actuating element marking of the actuating element Customized labeling, text in lower case letters number of switching positions 2 actuating angle
product type designation product line Plastic, black, 22 mm Enclosure number of command points Actuator design of the actuating element principle of operation of the actuating element latching, 90° (10:30 h/13:30 h)
product line Plastic, black, 22 mm Enclosure number of command points 1 Actuator design of the actuating element selector, long principle of operation of the actuating element latching, 90° (10:30 h/13:30 h) product extension optional • light source Yes • contact module Yes color of the actuating element red material of the actuating element plastic shape of the actuating element Handle outer diameter of the actuating element 44.8 mm marking of the actuating element Customized labeling, text in lower case letters number of switching positions 2
number of command points Actuator design of the actuating element selector, long principle of operation of the actuating element latching, 90° (10:30 h/13:30 h) product extension optional light source Yes color of the actuating element red material of the actuating element plastic shape of the actuating element Handle outer diameter of the actuating element 44.8 mm marking of the actuating element Customized labeling, text in lower case letters number of switching positions 2
number of command points Actuator design of the actuating element selector, long principle of operation of the actuating element latching, 90° (10:30 h/13:30 h) product extension optional light source Yes color of the actuating element red material of the actuating element plastic shape of the actuating element Handle outer diameter of the actuating element 44.8 mm marking of the actuating element Customized labeling, text in lower case letters number of switching positions 2
design of the actuating element selector, long principle of operation of the actuating element latching, 90° (10:30 h/13:30 h) product extension optional light source Yes contact module Yes color of the actuating element red material of the actuating element plastic shape of the actuating element Handle outer diameter of the actuating element 44.8 mm marking of the actuating element Customized labeling, text in lower case letters number of switching positions 2
design of the actuating element principle of operation of the actuating element product extension optional light source contact module color of the actuating element material of the actuating element shape of the actuating element marking of the actuating element marking of the actuating element customized labeling, text in lower case letters number of switching positions
principle of operation of the actuating element product extension optional light source contact module color of the actuating element material of the actuating element shape of the actuating element outer diameter of the actuating element marking of the actuating element customized labeling, text in lower case letters number of switching positions
product extension optional Ight source Contact module Yes color of the actuating element red material of the actuating element shape of the actuating element Handle outer diameter of the actuating element Marking of the actuating element Customized labeling, text in lower case letters number of switching positions 2
● light source ● contact module Yes color of the actuating element material of the actuating element shape of the actuating element outer diameter of the actuating element marking of the actuating element customized labeling, text in lower case letters number of switching positions Yes Yes Yes Yes Yes Yes Yes Y
● contact module Yes color of the actuating element material of the actuating element shape of the actuating element outer diameter of the actuating element marking of the actuating element customized labeling, text in lower case letters number of switching positions Yes Yes Yes Ted District Plantile Ustomized labeling, text in lower case letters 2
color of the actuating element red material of the actuating element plastic shape of the actuating element Handle outer diameter of the actuating element 44.8 mm marking of the actuating element Customized labeling, text in lower case letters number of switching positions 2
material of the actuating element plastic shape of the actuating element Handle outer diameter of the actuating element 44.8 mm marking of the actuating element Customized labeling, text in lower case letters number of switching positions 2
shape of the actuating element outer diameter of the actuating element marking of the actuating element Customized labeling, text in lower case letters number of switching positions 2
outer diameter of the actuating element 44.8 mm marking of the actuating element Customized labeling, text in lower case letters number of switching positions 2
marking of the actuating element Customized labeling, text in lower case letters number of switching positions 2
number of switching positions 2
J. C.
actuating angle
• clockwise 90°
Front ring
product component front ring Yes
design of the front ring standard
material of the front ring plastic
color of the front ring black
General technical data
protection class IP IP66, IP67, IP69(IP69K)
degree of protection NEMA rating 1, 2, 3, 3R, 4, 4X, 12, 13
shock resistance
• according to IEC 60068-2-27 sinusoidal half-wave 15g / 11 ms
• for railway applications according to EN 61373 Category 1, Class B
vibration resistance
• according to IEC 60068-2-6 10 500 Hz: 5g
• for railway applications according to EN 61373 Category 1, Class B
operating frequency maximum 1 800 1/h
mechanical service life (operating cycles) typical 1 000 000
reference code according to IEC 81346-2 S
Substance Prohibitance (Date) 10/01/2014
10.3 (1201)

B10 value with high demand rate according to SN 31920	100 000
proportion of dangerous failures	
 with low demand rate according to SN 31920 	20 %
 with high demand rate according to SN 31920 	20 %
failure rate [FIT] with low demand rate according to SN 31920	100 FIT
Ambient conditions	
ambient temperature	
 during operation 	-25 +70 °C
during storage	-40 +80 °C
environmental category during operation according to IEC 60721	3M6, 3S2, 3B2, 3C3, 3K6 (with relative air humidity of 10 95%)
Installation/ mounting/ dimensions	
height	44.8 mm
width	44.8 mm
shape of the installation opening	round
mounting diameter	22.3 mm
positive tolerance of installation diameter	0.4 mm
mounting height	28.8 mm
installation width	44.8 mm
installation depth	25.4 mm
Certificates/ approvals	

Siemens has decided to exit the Russian market (see here).

 $\underline{https://press.siemens.com/global/en/pressrelease/siemens-wind-down-russian-business}$

Siemens is working on the renewal of the current EAC certificates.

Please contact your local Siemens office on the status of validity of the EAC certification if you intend to import or offer to supply these products to an EAC relevant market (other than the sanctioned EAEU member states Russia or Belarus).
