Parallel Pin Punches XXL Set

5-pieces in plastic case

Precision and Power in Every Strike

The Ultimate Tool Set for Medium & Large Pin and Bolt Removal

Our 5-Piece Parallel Pin Punches XXL Set, designed to be an essential tool for efficiently finishing the removal of bolts or pins. Whether working in automotive repair, metalworking, or any industrial application, this set provides the precision and durability professionals looking for.

- **Comprehensive Set:** This set includes five xxl pin punches in sizes 5/16", 3/8", 1/2", 17/32", and 5/8", all neatly organized in a durable case.
- **High-Grade Tool Steel:** Manufactured from top-quality tool steel, ensuring great performance and longevity.
- **Heat-Treated Excellence:** Each punch is heat-treated for the perfect balance of hardness, strength, and durability, making them capable of withstanding rigorous use.
- **Handguard Protection:** Each punch is equipped with a 2-component handguard, providing safety and comfort during use.
- **Industrial Quality:** Built to meet and exceed the demands of industrial applications.
