

MADE IN THE USA

### Related Products (each sold separately):

- GS-073: Glove Box Dispenser - Single - Built-In Spring (shown below)
- GS-108: Glove Box Dispenser - Double - Space Saver

### Product Description:

- Glove Box Dispenser - Triple - Space Saver
- Holds three boxes of gloves end to end
- Two-way keyholes for vertical or horizontal wall mounting
- Stainless Steel

### Primary Area for Product Usage:

- Anywhere gloves are needed

### Dispenses:

- Box(es) no larger than 5.25"W x 10.00"H x 3.75"D (13.3 cm x 25.4 cm x 9.5 cm)
- Box(es) no smaller than 3.60"W x 9.00"H x 3.00"D (9.1 cm x 22.9 cm x 7.6 cm)

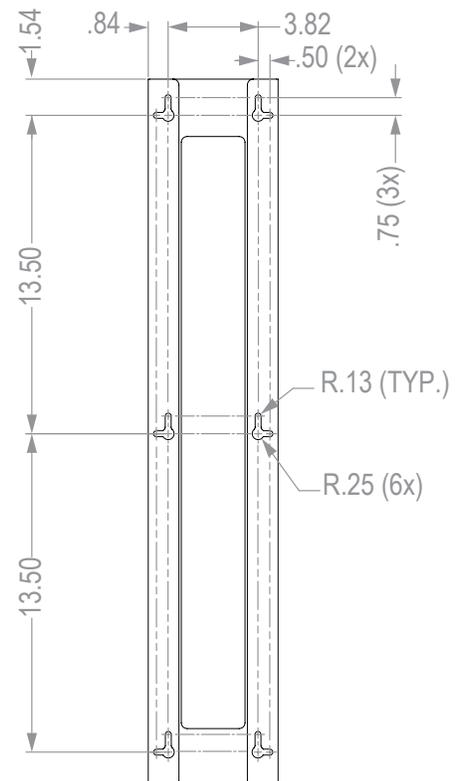

### Package Specifications:

- Package Quantity: 4 per case
- 30"W x 14"H x 5"D (76.2 cm x 35.6 cm x 12.7 cm)
- 19.0 lbs (8.6 kg) - approximated

### Product Specifications (overall external dimensions):

- 5.50"W x 30.04"H x 3.94"D (14.0 cm x 76.3 cm x 10.0 cm)
- 3.6 lbs (1.6 kg) - approximated

### Mounting Specifications:

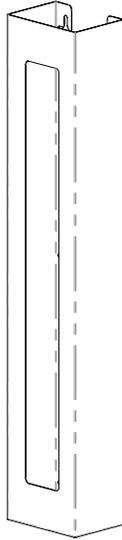

## Installation

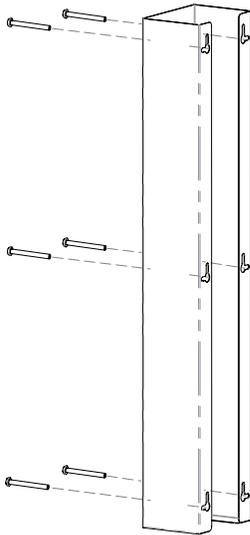

Always mount dispensers securely *prior* to loading with product.

- Vertical build and top load accommodate narrow space availability.

1

- Mount securely to a wall with screws approved and supplied by building maintenance.

2

### Parts included:

- Dispenser

### Tools Required:

- No tools required to assemble dispenser

## Care and Construction

### Stainless Steel

### Material Characteristics

### Designed for Long-Term, Heavy-Duty Applications

By its nature, stainless steel is resistant to corrosion and oxidation, yet the bright, easily maintained surface provides a modern and attractive appearance. Stainless steel is used overwhelmingly for its corrosion resistance characteristics. Along with being sturdy, stainless steel is also fire and heat resistant.

Stainless steel has work-hardening properties, giving the material a great strength-to-weight advantage over other materials. It also provides impact resistance and high toughness in extreme temperatures.

### Care and Cleaning

Stainless steel resists a variety of common chemicals and cleaning agents. Clean using warm water, a gentle detergent, and soft cloth. Dry thoroughly to avoid spotting. Do not use steel wool.
