

HEALTHCARE

Solutions Source

Since 1992, Quiktron has provided quality cable connectivity solutions to datacomm and telecommunication industries throughout North America. Known to many for RapidRun®, the award-winning, complete audio/video system designed to save time and money, while evolving with changing technology. We work exclusively through the industry's leading distributors to provide custom manufacturing of fiber optic and copper cable assemblies, as well as distribution of more than 3,000 standard items.

WHAT YOU WANT, WHEN YOU WANT IT – SIMPLE

- Facilities in four convenient locations ensures you get product ... FAST
- RCDD Certified staff committed to bringing you the most personal, knowledgeable and timely service in the industry for ALL your product and installation needs
- Building and delivering unique solutions for high-quality cable connectivity needs
- Stocked with a wide range of products ranging from simple to complex, standard to custom
- Hours of operation: 7am – 6pm (CST), Monday – Thursday; Fridays until 5pm
