

Specification Sheet

Part Number: 156-01341

Bundle can rotate to any orientation, allowing routing in any direction regardless of mounting point.

2-piece design allows installer to slide clip around cable tie to obtain optimum orientation

Clip is reusable, making relocation or adjustments simple.

2-Piece Cable Tie with Pipe Clip, 6.0" Long, Attaches to Diameter 0.75 - 0.96", PA66HS/PA66HIRHS, Black, 500/pkg

|                     |                                                                                                                                                                                                                                                                                           |

| Quantity Per        | bag                                                                                                                                                                                                                                                                                       |
| Product Description | HellermannTyton's 2-Piece Cable Tie with Pipe Clip secures cables to tubular frame rails. The cable tie bundles wires, cables or tubes, and the C-clip snaps onto the tubular frame rail. The clip can be removed from the mounting surface and reinstalled without additional fasteners. |
| Short Description   | 2-Piece Cable Tie with Pipe Clip, 6.0" Long, Attaches to Diameter 0.75 - 0.96", PA66HS/PA66HIRHS, Black, 500/pkg                                                                                                                                                                          |
| Global Part Name    | T50SVCOC19-24.5-PA66HS/PA66HIRHS-BK                                                                                                                                                                                                                                                       |

|                                     |              |
