Product Notes

Notes:	The duct end cover is provided with two large size dia holes and connection, that allows fitting of two large size convoluted, flexible tubes. The tubes are 75mm ID/88mm OD. The convoluted tube allows optical fibre cords to be dropped off from the 220mm X 100mm duct to lower transmission equipment. The end cover snaps simply into the duct slots of a 90 degree, down elbow and can be removed with a screwdriver should the system need extending.
