Product Notes

Notes:	The drop off assembly is used to provide a safe exit for optical fibre cords, at any point, in either: 300, 220 or 100mm ducting. It fits into a cut - out provided by the cut - out tool; and is used in conjunction with RAMP-OFF, which also clips into the same cut - out. It provides a square opening, over which a 50mm square flexible conduit can be fitted.
