48-Port 1U Rack-Mount Cat6/Cat5 High Density 110 Patch Panel, 568B, RJ45 Ethernet, TAA

MODEL NUMBER: **N252-048-1U**

Highlights

- Space saving CAT6 Rated 48-port 1U 110 type Patch panel
- Removable "upper-deck" for easy punch down termination
- Built-in wire management loom
- Compliant with the Federal Trade Agreements Act (TAA) for GSA Schedule purchases

Package Includes

- 48port, 1U, Cat6 110 punch down patch panel

Description

This 1U 48-port Cat6 high-density patch panel frees up valuable rack real estate by condensing a typical 2U 48-port patch panel into 1U of space. The unique design allows for easy punch-down termination. Simply unscrew four slotted thumbscrews to remove the "upper deck" punch-down array. Punch down the "lower-deck" cables first, then replace the upper deck, and punch down upper array. Integrated wire loom keeps cabling tidy and easy to route. Heavy-duty 14GA cold-rolled steel construction. 110 connectors are color-coded for either 568A or 568B wiring.
UTP Cat6 22-24 AWG solid cable

Features

- Space saving CAT6 Rated 48-port 1U 110 type Patch panel
- Removable "upper-deck" for easy punch down termination
- Built-in wire management loom
- Color coded for 568A/568B wiring
