

4-Post 6U Hinged Wall-Mount Network Rack, 19" Open Frame Server Rack with 19.8in Mounting Depth, Wall Mount Swing Out Data Rack for IT / AV / Patch Panel / Computer Equipment

Product ID: RK619WALLOH

The RK619WALLOH 6U Hinged Open Frame Wall Mount Server Rack lets you wall mount your (19-inch wide) servers, A/V or network equipment and features a hinged rack design that allows the entire frame to swing open for easy installation and maintenance of your equipment.

The 6U wallmount rack offers a 4 post design for additional support of your equipment, storing a maximum weight capacity of 49kg (110lbs) with a maximum mounting depth of 19.8inch (50.2cm). Constructed of high-quality SPCC cold-rolled steel for strength and durability, the open frame wallmount server rack allows for maximum airflow, and ships complete with all of the rack screws and cage nuts required to mount your equipment, saving the expense of purchasing them separately.

Certifications, Reports and Compatibility

Applications

- Perfect for installing network switches out of the way and high up on a wall in a branch office, warehouse, or superstore location
- Ideal for small and medium businesses requiring small rack solutions dispersed throughout the organization
- Mount Audio/Video broadcast or distribution components

Features
