SmartRack Side Panels with Key-Locking Latches - for SRX47UB Euro-Series Server Rack Cabinet

MODEL NUMBER: **SRX47SIDEKIT**

Locking steel panels attach to the sides of your SRX47UB server rack enclosure.

Features

Steel Side Panels for Installation on Your Euro-Series SRX47UB Rack Cabinet These SmartRack® side panels feature pre-installed key-locking latches for securing your rack equipment against tampering and theft. Designed for the standard-depth SRX47UB rack, these four panels can also be added to the side of an expansion cabinet (such as SRX47UBEXP) when application needs have changed. You can also use them as replacements for existing side panels.

Convert an Expansion Cabinet into a Cabinet with Side PanelsSRX47UBEXP is an expansion cabinet designed to be bayed together with other cabinets. When needs change and the cabinets must be separated, add these heavy-duty steel panels to the sides of them to convert the racks into standard cabinets.

Highlights

- Pre-installed latches lock securely with included keys to protect equipment from theft
- Ideal as replacement panels or for expansion rack cabinets
- Made from heavy-duty steel engineered to stand up to busy IT environments
- Designed for use with SRX47UB Euro-Series rack enclosure

Applications

- Attach to previously bayed rack cabinets to convert them to standard enclosures
- Replace existing side panels

System Requirements

- SRX47UB Euro-Series server rack cabinet

Package Includes

- (4) Side panels with locking latches
