### Description

This power strip is designed to safely distribute power to connected equipment in harsh environments. It provides a convenient source for multiple outlets wherever they're needed. 6 outlets distribute AC power to a wide range of power tools, drill presses, air compressors, power sanders and more. Convenient transformer outlets accommodate multiple transformers without blocking other outlets. A nine-foot (2.7-meter) grounded cord with integrated cord clip reaches distant outlets. A GFCI plug protects users from electrical shock in wet or humid environments. A lighted on/off switch provides power control over connected equipment. Four safety covers shield unused outlets from debris and accidental contact. A rugged metal case stands up to the harshest environments. Built-in cord wrap with hang holes provides convenient cord management. Integrated keyhole slots on bottom panel provide convenient wall/desk mounting. Its bright yellow color alerts you and others that power cords and tools are in use.
