

Anti-Fatigue Mat for Standing Desk - Ergonomic Mat for Standing Desk - Large 24" x 36" Surface - Non-Slip - Cushioned Comfort Floor Pad for Sit Stand/Stand Up Office/Work Desk

Product ID: STSMATL

Work in greater comfort with this large anti-fatigue mat for standing desks or sit-stand workstations. It provides a durable cushioned surface to help reduce strain, plus a large surface area for versatile use.

This standing mat for offices helps you stay comfortable while you work, so you can enjoy the health benefits of not sitting in a chair for extended periods of time.

The ergonomic floor mat is designed to encourage slight movement when standing, helping to increase blood circulation and reduce strain on your feet, knees, hips and back. Increasing muscle movement helps reduce fatigue and strain, resulting in greater comfort so you can stay productive at your standing desk or sit-stand workstation.

The large anti-fatigue floor mat (24" x 36" / 61 x 91 cm) provides generous space to move around while standing. The mat allows flexible use at a desk, counter or table with a variety of flooring types, from ceramic tile to rug.

The stand-up desk mat is made of polyurethane foam, providing " (1.9 cm) thick cushioning for maximum comfort and durability. The surface allows easy cleaning.

The anti-slip bottom helps to ensure the standing desk mat stays in place and helps to reduce the risk of slipping. The beveled edge also helps to prevent tripping and falling as you move throughout your workday.

STSMATL is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Please note: the anti-fatigue mat is not intended for use with high heels, which may cause damage to the mat surface.

Certifications, Reports and Compatibility

Applications

- Work in comfort at your standing desk/ sit-stand workstation
- Use with stand-up desks, tables and counters in the office or home office
