

Bulkhead Mount Hermetically Sealed 75 Ohm TNC Female to 75 Ohm TNC Female Adapter

RF Adapters Technical Data Sheet

PE9624

Configuration

- TNC Female Connector 1
- TNC Female Connector 2
- 75 Ohm

Features

- Hermetically Sealed
- TNC interface compliant with MIL-STD-348
- Contact plating according to QQ-S-365

Applications

- General Purpose Test
- Vacuum Test Environment

Straight Body Geometry

Bulkhead Mount Method

Silver Plated Contact

Silver Plated Beryllium Copper Contact

Rack Mounted Equipment

Description

Pasternack's PE9624 bulkhead hermetically sealed 75 ohm TNC female to TNC female adapter is part of our full line of RF components available for same-day shipping. Our TNC to TNC adapter has a female to female gender configuration. PE9624 TNC female to TNC female adapter operates to 1.5 GHz. This RF TNC bulkhead to TNC adapter allows designers to create external connections on their product enclosures, and can be used in a variety of other rack mount and panel mount applications. This hermetic TNC to TNC adapter prevents the leakage of gases, making it suitable for high pressure or vacuum applications or whenever an airtight seal is required.

RF adapters are often used to enable connections between two connector types that would otherwise not mate. Certain adapter configurations can also be used to protect connectors on expensive equipment where the number of connect/ disconnect cycles is high. An RF, microwave or millimeter wave adapter is connected to the equipment, and the commonly changed connection is made with the adapter which can be easily replaced when it wears out after high usage; such adapters are referred to as connector savers. Pasternack also offers bulkhead, panel mount, hermetically sealed, reverse polarity, and isolated ground adapter varieties to serve all of your RF, microwave and millimeter wave needs.

Electrical Specifications

Description	Minimum	Typical	Maximum	Units
Frequency Range	DC		1.5	GHz
Impedance		75 Ohm		
Operating Voltage (AC)			500	Vrms
Dielectric Withstanding Voltage (AC)			1,500	Vrms
Insulation Resistance	5,000			MOhms

Mechanical Specifications

Bulkhead Mount Hermetically Sealed 75 Ohm TNC Female to 75 Ohm TNC Female Adapter

RF Adapters Technical Data Sheet

PE9624

Bulkhead Mount Hermetically Sealed 75 Ohm TNC Female to 75 Ohm TNC Female Adapter from Pasternack Enterprises has same day shipment for domestic and International orders. Our RF, microwave and millimeter wave products maintain a 99.4% availability and are part of the broadest selection in the industry.
