

M12 Connector

TE Internal #: T4142012041-000

4 Position Circular Connector, Wire-to-Panel, Sealable, Wire & Cable, Signal, Panel Mount, Reverse Gender, Nickel, Copper Alloy, A Code, M12 Connector

[View on TE.com >](#)

Connectors > Circular Connectors > Standard Circular Connectors > M12 Panel Mount PCB

Number of Positions: 4

Connector System: **Wire-to-Panel**

Sealable: **Yes**

Connector & Contact Terminates To: **Wire & Cable**

Contact Current Rating (Max): 4 A

[All M12 Panel Mount PCB \(103\)](#)

Features

Product Type Features

|                                   |                      |
|-----------------------------------|----------------------|
| Assembly Requirement              | Factory Assembled    |
| Circular Connector Shell Type     | Metal-Shell          |
| Connector Product Type            | Connector Assembly   |
| Assembly Type                     | Electrical Connector |
| Connector System                  | Wire-to-Panel        |
| Sealable                          | Yes                  |
| Connector & Contact Terminates To | Wire & Cable         |
| Circular Connector Type           | Plug                 |
| Shell Type                        | Metal                |

Configuration Features

|                                       |    |
|---------------------------------------|----|
| Keying & Polarized Position Locations | A  |
| Factory Installed Backshell           | No |
| Number of Positions                   | 4  |

|                            |     |
|----------------------------|-----|
| Number of Power Positions  | 0   |
| Number of Signal Positions | 4   |
| Contacts Preloaded         | Yes |

Electrical Characteristics

|                   |         |
|-------------------|---------|
| Operating Voltage | 250 VDC |
|-------------------|---------|

Body Features

|                                             |                  |
|---------------------------------------------|------------------|
| O-Ring Material                             | Silicone         |
| Environmental Protection                    | IP67             |
| Environmental Protection Type               | Elastomer Sealed |
| Primary Product Color                       | Black            |
| Peripheral Seal Material                    | Silicone         |
| Shell Plating Material                      | Nickel           |
| Shell Base Material                         | Copper Alloy     |
| Circular Connector Insulation Material Type | Polyamide GF     |
| Hermetically Sealed                         | Yes              |

Contact Features

|                                 |     |
|---------------------------------|-----|
| Contact Current Rating (Max)    | 4 A |
| Reverse Gender                  | Yes |
| Circular Connector Contact Type | Pin |

Mechanical Attachment

|                         |                   |
|-------------------------|-------------------|
| Mating Retention Type   | Threaded Coupling |
| Mating Alignment        | With              |
| Connector Mounting Type | Panel Mount       |
| Polarization Code       | A                 |
| Mating Alignment Type   | Keyed             |

Housing Features

|                               |    |
|-------------------------------|----|
| Circular Connector Shell Size | 18 |
|-------------------------------|----|

Usage Conditions

|                             |                           |
|-----------------------------|---------------------------|
| IP Dust Sealing Level       | 6                         |
| IP Water Sealing Level      | IP67                      |
| Operating Temperature Range | -40 – 85 °C[-40 – 185 °F] |

Operation/Application

|                     |            |
|---------------------|------------|
| Durability Rating   | 100 Cycles |
| Circuit Application | Signal     |
| Shielded            | No         |

Industry Standards

|                        |         |
|------------------------|---------|
| UL Flammability Rating | UL 94HB |
|------------------------|---------|

Packaging Features

|                    |   |
|--------------------|---|
| Packaging Quantity | 1 |
|--------------------|---|

Other

|                   |     |
|-------------------|-----|
| Field Serviceable | Yes |
|-------------------|-----|

| Halogen Content                               | Low Halogen - Br, Cl, F, I < 900 ppm per homogenous material. Also BFR/CFR/PVC Free                                                                                                                                                                                                                                                                                                                                    |
| Solder Process Capability                     | Not applicable for solder process capability                                                                                                                                                                                                                                                                                                                                                                           |

Product Compliance Disclaimer

This information is provided based on reasonable inquiry of our suppliers and represents our current actual knowledge based on the information they provided. This information is subject to change. The part numbers that TE has identified as EU RoHS compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead, hexavalent chromium, mercury, PBB, PBDE, DBP, BBP, DEHP, DIBP, and 0.01% for cadmium, or qualify for an exemption to these limits as defined in the Annexes of Directive 2011/65/EU (RoHS2). Finished electrical and electronic equipment products will be CE marked as required by Directive 2011/65/EU. Components may not be CE marked. Additionally, the part numbers that TE has identified as EU ELV compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead, hexavalent chromium, and mercury, and 0.01% for cadmium, or qualify for an exemption to these limits as defined in the Annexes of Directive 2000/53/EC (ELV). Regarding the REACH Regulation, the information TE provides on SVHC in articles for this part number is based on the latest European Chemicals Agency (ECHA) ‘Guidance on requirements for substances in articles’ posted at this URL: <https://echa.europa.eu/guidance-documents/guidance-on-reach>
